

*Imagine Your *Story*

Adult Summer Reading Program June 15 – August 30, 2020

Even though we're social distancing, you can still "Imagine Your Story" in our adult summer reading program. You may submit book reviews here <https://www.rtdl.org/summerreading/>. Every book review you submit will qualify you for our weekly prize drawing, and if you win a weekly drawing, you can choose between two prizes. Prizes increase in value as the program progresses. All reviews qualify for a grand prize drawing. The person with the most reviews automatically wins one of the grand prizes. Visit our website for information about RTDL's virtual programs. If you would prefer to write your book reviews on paper, pick up a packet at our curbside service or call us to have a packet mailed to you. Paper reviews may be submitted via our summer reading drop box near the front entrance to the library.
